

Dori Saves Lives Community Service

Dori Saves Lives is a non-governmental, not for profit, public service organization dedicated to traffic safety for over a decade. Our foundation is an influential force in reversing the deadly statistics our roadways produce.

Our mission is to reduce the number of preventable injuries and fatalities on the road by educating the public and raising awareness on a local and national level. Our methods of outreach include **building relationships with schools**, law enforcement, and government agencies; **sharing innovative programs throughout the year that target our most at-risk drivers**; and fostering long-term relationships and **partnerships with safety-minded individuals and organizations**.

How **YOU** can help:

1. Our foundation uses social media as a tool to spread the road safety message. Share our posts on Facebook, re-tweet us on Twitter, or re-gram us on Instagram for a week to earn up to 25 hours of community service!
2. We want to make sure we are getting the message out to the greatest possible audience. Get 20 friends to follow us on any of our social media outlets, and earn 20 service hours! Make sure to tell us who your friends are!
3. Create an innovative idea that we can implement into the community to help keep your friends safe on the road! For ideas, research our current programs like our "In the Click" seatbelt contest, or our Carpool Safety Campaign. Write an essay detailing your program and how we can implement it, and earn 30 hours of community service!
4. Get your school involved! Start a Dori Saves Lives Road Safety Club at your school and earn 50 community service hours! Of course, you will need approval from administration first. Your job will be to get as many students involved in raising awareness at your school as possible. We will be happy to come visit and help! Every student that participates, including you, will also earn service hours for ALL club meetings and events!

YOU can help us put the breaks on driving fatalities because you are the biggest influence in your friends' lives! We appreciate your help and look forward to seeing your hard work! **Please make sure to complete the *community service hour request form* and send it to us** along with any other documentation of your work!

If you have any questions, or are ready to share your plan, please call or email us!
